

Attendance, Promptness, Participation, Responsibility, and Effort.....

Dressing Requirements- Students are expected to dress in the required uniform every day. Failure to do so will result in a loss of points and a P.E. zero that will lower their letter if not made up. The Conant High School Physical Education uniform consists of:

1. A grey Conant T-Shirt with last name clearly printed on the front left chest.
2. Blue Conant shorts with last name clearly printed on the front left leg,
3. Athletic Socks and athletic gym shoes.
4. Sweatshirts can be worn at anytime but the Conant Physical Ed. T-shirt must be worn underneath at all times. Not doing so will result in a P.E. zero for not dressing.
5. Hat or visor for sun protection is optional but CANNOT be worn until we are outside and must come off when we return inside the building.
6. Winter hat and gloves are optional for cold units but CANNOT be worn until we are outside and must come off when we return inside the building.

Participation- Students are required to participate in all class activities unless there is a written excuse from a doctor. Parent excuses are accepted but will need to be made up at P.E. zero make ups. A doctor's note is required for medical conditions excusing students from class and written medical work will be assigned to make up for days out of class.

Attendance- Consistent attendance is encouraged so that students may stay up to par on the skills that are covered. It is the responsibility of the *student* to see me regarding make up work for time missed.

Tardies- Students must be dressed and seated in their squads in their area **before** I come out to take attendance. Students who fail to do so will be marked tardy for the day. Tardies will also be marked if not in the locker room by the 7 minute bell.

Profanity- The use of foul language is unacceptable and will not be tolerated. If a student decides to use profanity at school, he/she will lose points.

Locker Room- Each Student is responsible for purchasing his/her own combination lock from the schools main office. Only school purchased locks are allowed. Each student is issued a P.E. locker at the beginning of the school year. Students should keep PE clothes, deodorant, heart strap, sweats (for cold weather days), and any first aid articles that he/she might need in their locker. Students are **NOT** allowed to share lockers at anytime throughout the school year or change lockers. Teachers will not open another student's locker for any reason. If students change lockers without permission, it could result in their lock being cut off. Students are responsible for maintaining the security of their belongings. Leaving their lockers unlocked and/or belongings outside of their lockers could result in items disappearing.

If these expectations are followed all students should be successful in class!!! When in doubt always see Ms. Wolff for clarification.

See Ms. Wolff's home page for Conant High School Physical Education grading policy, zero make-up policy, and medical policy.
